Please note that even for supported countries the Casino is not able to guarantee successful credit card payment processing in all cases, since banks issuing credit cards may block or reject such transactions at their own discretion.

The internal operating currency of the Website is Euro. Due to this fact, in case you transact in other currencies, the amount deducted from your credit card may be insignificantly higher than displayed at the time of transaction due to currency conversions on the side of your bank and/or the Casino's payment processing system.

Withdrawal confirmation by our specialists occurs within 24 hours for the Bank Transfer payment method. After that, you see the "Success" status in your account. This is because the transaction has been confirmed by our specialists and transferred to your bank. Therefore, transfer payouts are, in principle, processed by the bank within three (3) banking days. Please mind that you will not be able to request a Bank Transfer for USD payouts. You acknowledge that withdrawals via bank transfers can in exceptional cases be subject to additional charges by the intermediary banks. These charges remain outside the influence of The Casino and are in our experience limited to the equivalent of EUR 16.

If you win more than 20 000 EUR, the Casino reserves the right to divide the payout into monthly instalments of maximum 15 000 EUR until the full amount is paid out. All progressive jackpot wins will be paid in full.

Finally, please keep in mind the Casino is not a financial institution. Your account will thus not bear any interests and no conversion or exchange services will be offered at any time.

13. REFUND POLICY

A refund request will only be considered if it is requested within the first twenty-four (24) hours of the alleged transaction, or within thirty (30) calendar days if a Player alleges that another individual has accessed his/her Player Account.

If you have funding your account with a Credit Card we reserve the right to pay all withdrawal requests up to the total amount deposited as refunds against the purchases you have made. If your withdrawals exceed the total amount deposited, any excess amount will be paid to you via one of our alternative methods available.

Before a refund is processed all bonuses and winnings in your balance will be deducted prior to calculating the amount to be refunded.

In case any Credit Card purchases are considered to carry an unacceptable risk for security or legal reasons either by our Payment processors or by the Casino, we will initiate refunds for all such transactions back to the Credit Card, and notify all the appropriate authorities and parties.

All costs that may occur upon refund procedure are on the player.

14. DORMANT ACCOUNTS

An inactive (dormant) account is a Player Account which a player has not logged into or logged out of for twelve (12) consecutive months. If your Player Account is deemed to be inactive, the Casino reserves the right to charge a monthly administrative fee of 10 EUR or the equivalent in another currency (or the current balance of your account, if less) as long as the balance of your account remains positive.

You authorise the Casino to debit this fee from your Player Account at the beginning of the month following the day on which your account is deemed inactive, and at the beginning of every subsequent month that your account remains inactive.
